SYDNEY NEVITT

Fredericksburg, VA 22407 | 540-273-5815 | snevitt2015@gmail.com

Professional Summary

A results-driven learner with a passion for continuous improvement and academic excellence. Utilizes research skills to gather and analyze data effectively, contributing to informed decision-making. Proven ability to adapt to new challenges and contribute effectively to team efforts, with strong skills in critical and holistic thinking.

Relevant Experience

Engineering Aide 2024 - Current
AI Signal Research Inc Dahlgren

- Administered and maintained an accurate database for critical project information, ensuring data integrity for project success.
- Managed hazardous materials, ensuring strict adherence to safety protocols and regulatory compliance.
- Partnered with the Safety department to reinforce and uphold workplace safety standards.
- Collaborated with Safety department to reinforce workplace safety standards, enhancing compliance and reducing risks.
- Developed technical expertise across diverse engineering disciplines, contributing to project efficiency and team knowledge.

Teaching Assistant Jan 2026 - Current
James Madison University James Madison University

- Assisted Energy Issues Science and Technology instruction as Teaching Assistant.
- Assessed homework and labs to support course progress and instructional continuity.
- Provided individualized tutoring to help students strengthen understanding of core course material.

SEAP Internship May 2023 - Aug 2023
King George Dahlgren

- Created comprehensive database cataloging chemicals on naval base, ensuring accurate tracking and compliance.
- Streamlined information management processes, enhancing accessibility for relevant personnel.
- Collaborated with multiple departments to gain hands-on experience across diverse operational environments, enhancing cross-functional knowledge.
- Expanded understanding of operational processes critical to naval engineering, contributing to improved project alignment and execution.
- Refined technical skills and demonstrated adaptability in varied work environments.
- NWSC Dahlgren Division

Education

Bachelor of Science: **Integrated Science And Technology** Expected in May 2027
James Madison University Harrisonburg, VA
ABET accredited to Engineering

- Concentration in Geospatial Analysis for International Security | Minor in Environmental Studies
- Member of Alpha Delta Pi | Community Service Committee and Theta Tau | Risk Management Chair
- Dean's List

Certifications and Awards

HAZWOPER | OPSEC Awareness for Military Members, DOD Employees, and Contractors | Insider Threat Awareness | Basic Laser Safety | CPR
Global Impact Award | Eyes on the Arctic

Skills

- Database management | Excel, GitHub, Sharepoint
- Data visualization | ArcGIS Pro, GEGD Pro, Geospatial Mapping
- Risk Assessment Analysis | Sampling and Analysis Methods, Hazardous Waste Management, Environmental Regulations Compliance
- Technical drawing and 3D Modeling | SolidWorks and Fusion360
- Energy Focus | Sustainability Initiatives and Cost-Benefit Analysis, Data Analysis and Intelligence Gathering

Job related coursework

Capstone Project | Partnership with the NGA tracking Russian Vessels through Satellites and Automation

- Awareness and Understanding of Chemical, Biological, and Radiological Weapons of Mass Destruction
- Geospatial Intelligence Certificate Program
- Applied Computing, Instrumentation, and Measurement
- Programming and Problem Solving
